- 16:30 (5.2) **What happened in the past ?**– Trying to create a picture about our
 common recent history in the 70’s, 80’s and 90’s. Working in *mixed groups*
- 17:20 (5.3) **Common ground** Plenary and discussion session
- 17:50 **Write ideas into your note book**
- 18:00 Dinner

Tuesday, 10. 7. 2007 Monastery Klisura

- 09:00 **PHASE 2 / A: EXTERNAL TRENDS** The present time (1)
 (6.1) **Which external trends may have consequences to our work? Which**
problems do you recognize in relation to sustainable development ?
 Working in *homogeneous groups* (Countries, universities). Take a short glance
 to your publications and/or subjects relating to soil.
- 09:30 (6.2) **Elaborating a mind-map in the plenum.**
- 10:30 tea and coffeebreak
- 11:00 **PHASE 2 / B: DESIRABLE TRENDS** The present time (1)
 (6.3) **Selection of trends – diagnosis**
 Plenum: Selecting five trends (Disposing dots)
- 12:00 Lunch
- 14:00 (6.4) **Desirable and probable categories**

Working in homogeneous groups – Flipchart: Our responses for desirable trends

14:30 Plenary and discussion session: Results of present issues

15:00 **PHASE 3: The present time (2): PROUDS AND SORRIES**
(7.1) **Strength and weaknesses of the present situation**

Working in homogeneous groups: Evaluate your present situation

15:30 Tee-, and coffeebreak

16:00 (7.2) **Short Plenary and discussion session**

16:20 **PHASE 4: FUTURE SCENARIOS**

(8) **Scenarios about an ideal future**

In mixed groups identify desired/preferred scenarios for the year 2010 and prepare a creative production of your vision to the plenum. This phase calls for developing scenarios about an ideal future for the monastery (Integrated land utilisation, ecological gardening, public transport, alternative energy systems, new forestry management, etc.)

17:40 **First ideas** – Within mixed groups we will work out similarities and differences of the future scenarios and try to generate first concepts for realisation.

17:50 **Write ideas into your note book**

18:00 Finishing of the second day

Wednesday, 11. 7. 2007 Monastery Klisura

09:00 **Presentation of Future Scenarios** – Plenary session

5 groups á 8´ minutes

PHASE 5: FORMULATION STRATEGIES

A list of strategies that the group endorses. Specifying measures and methods for elaborating a strategy model about ´sustainable development measures in the monastery of Klisura´, which creates awareness for responsible regional development in relation to sustainable land use and ecological design.

09:40 (9) **Part 1 - Formulation of projects and measures.** Elaborate goals and objectives and find examples for realizing your ideas. Mixed group work

10:10 **Presentation**

(10) **Part 2 –, Presentation and discussion** Group reports

10:30 Tee-, and coffeebreak

11:00 **PHASE 6: Plans for action**

(11) **Clarifying open questions for the Intensive program.** Agreements implementation plans – mixed group work

(12) **Review of the future search workshop** – questionnaire

11:50 **Finish - Write ideas into your note book**

12:00 Lunch break

14:00 Excursion
